SUBCHAPTER I—GENERAL PROVISIONS

§ 1441. Congressional declaration of national housing policy

The Congress declares that the general welfare and security of the Nation and the health and living standards of its people require housing production and related community development sufficient to remedy the serious housing shortage, the elimination of substandard and other inadequate housing through the clearance of slums and blighted areas, and the realization as soon as feasible of the goal of a decent home and a suitable living environment for every American family, thus contributing to the development and redevelopment of communities and to the advancement of the growth, wealth, and security of the Nation. The Congress further de-

clares that such production is necessary to enable the housing industry to make its full contribution toward an economy of maximum employment, production, and purchasing power. The policy to be followed in attaining the national housing objective established shall be: (1) private enterprise shall be encouraged to serve as large a part of the total need as it can; (2) governmental assistance shall be utilized where feasible to enable private enterprise to serve more of the total need; (3) appropriate local public bodies shall be encouraged and assisted to undertake positive programs of encouraging and assisting the development of well-planned, integrated residential neighborhoods, the development and redevelopment of communities, and the production, at lower costs, of housing of sound standards of design, construction, livability, and size for adequate family life; (4) governmental assistance to eliminate substandard and other inadequate housing through the clearance of slums and blighted areas, to facilitate community development and redevelopment, and to provide adequate housing for urban and rural nonfarm families with incomes so low that they are not being decently housed in new or existing housing shall be extended to those localities which estimate their own needs and demonstrate that these needs are not being met through reliance solely upon private enterprise, and without such aid; and (5) governmental assistance for decent, safe, and sanitary farm dwellings and related facilities shall be extended where the farm owner demonstrates that he lacks sufficient resources to provide such housing on his own account and is unable to secure necessary credit for such housing from other sources on terms and conditions which he could reasonably be expected to fulfill. The Department of Housing and Urban Development, and any other departments or agencies of the Federal Government having powers, functions, or duties with respect to housing, shall exercise their powers, functions, and duties under this or any other law, consistently with the national housing policy declared by this Act and in such manner as will facilitate sustained progress in attaining the national housing objective hereby established, and in such manner as will encourage and assist (1) the production of housing of sound standards of design, construction, livability, and size for adequate family life; (2) the reduction of the costs of housing without sacrifice of such sound standards; (3) the use of new designs, materials, techniques, and methods in residential construction, the use of standardized dimensions and methods of assembly of home-building materials and equipment, and the increase of efficiency in residential construction and maintenance; (4) the development of well-planned, integrated, residential neighborhoods and the development and redevelopment of communities; and (5) the stabilization of the housing industry at a high annual volume of residential construction.

11527, as amended, set out as a note under section 1982 of this title.

§ 1441a. National housing goals

(a) Congressional findings and reaffirmation of goals

The Congress finds that the supply of the Nation's housing is not increasing rapidly enough to meet the national housing goal, established in the Housing Act of 1949 [42 U.S.C. 1441 et seq.], of the "realization as soon as feasible of the goal of a decent home and a suitable living environment for every American family". The Congress reaffirms this national housing goal and determines that it can be substantially achieved within the next decade by the construction or rehabilitation of twenty-six million housing units, six million of these for low and moderate income families.

(b) Additional Congressional findings

The Congress further finds that policies designed to contribute to the achievement of the national housing goal have not directed sufficient attention and resources to the preservation of existing housing and neighborhoods, that the deterioration and abandonment of housing for the Nation's lower income families has accelerated over the last decade, and that this acceleration has contributed to neighborhood disintegration and has partially negated the progress toward achieving the national housing goal which has been made primarily through new housing construction.

(c) Congressional declaration of purposes

The Congress declares that if the national housing goal is to be achieved, a greater effort must be made to encourage the preservation of existing housing and neighborhoods through such measures as housing preservation, moderate rehabilitation, and improvements in housing management and maintenance, in conjunction with the provision of adequate municipal services. Such an effort should concentrate, to a greater extent than it has in the past, on housing and neighborhoods where deterioration is evident but has not yet become acute.

The Secretary of Agriculture (hereinafter referred to as the “Secretary”) is authorized, subject to the terms and conditions of this subchapter, to extend financial assistance, through the Farmers Home Administration, (1) to owners of farms in the United States and in the Territories of Alaska and Hawaii and in the Commonwealth of Puerto Rico, the Virgin Islands, the territories and possessions of the United States, and the Trust Territory of the Pacific Islands, to enable them to construct, improve, alter, repair, or replace dwellings and other farm buildings on their farms, and to purchase buildings and land constituting a minimum adequate site, in order to provide them, their tenants, lessees, sharecroppers, and laborers with decent, safe, and sanitary living conditions and adequate farm buildings as specified in this subchapter, and (2) to owners of other real estate in rural areas for the construction, improvement, alteration, or repair of dwellings, related facilities, and farm buildings and to rural residents, including persons who reside in reservations or villages of Indian tribes, for such purposes and for the purchase of buildings and the purchase of land constituting a minimum adequate site, in order to enable them to provide dwellings and related facilities for their own use and buildings adequate for their farming operations, and (3) to elderly or handicapped persons or families who are or will be the owners of land in rural areas for the construction, improvement, alteration, or repair of dwellings and related facilities, the purchase of dwellings and related facilities and the purchase of land constituting a minimum adequate site, in order to provide them with adequate dwellings and related facilities for their own use, and (4) to an owner described in clause (1), (2), or (3) for refinancing indebtedness which—

(A) was incurred for an eligible purpose described in such clause, and

(B)(i) if not refinanced, is likely to result (because of circumstances beyond the control of the applicant) at an early date in the loss of the applicant's necessary dwelling or essential farm service buildings, or

(ii) if combined (in the case of a dwelling that the Secretary finds not to be decent, safe, and sanitary) with a loan for improvement, rehabilitation, or repairs and not refinanced, is likely to result in the applicant's continuing to be deprived of a decent, safe, and sanitary dwelling.

(5)¹ **DEFINITIONS.**—For purposes of this subchapter, the terms “repair”, “repairs”, “rehabilitate”, and “rehabilitation” include measures to evaluate and reduce lead-based paint hazards, as such terms are defined in section 4851b of this title.

(b) Definitions

(1) For the purpose of this subchapter, the term “farm” shall mean a parcel or parcels of

land operated as a single unit which is used for the production of one or more agricultural commodities and which customarily produces or is capable of producing such commodities for sale and for home use of a gross annual value of not less than the equivalent of a gross annual value of \$400 in 1944, as determined by the Secretary. The Secretary shall promptly determine whether any parcel or parcels of land constitute a farm for the purposes of this subchapter whenever requested to do so by any interested Federal, State, or local public agency, and his determination shall be conclusive.

(2) For the purposes of this subchapter, the terms “owner” and “mortgage” shall be deemed to include, respectively, the lessee of, and other security interest in, any leasehold interest which the Secretary determines has an unexpired term (A) in the case of a loan, for a period sufficiently beyond the repayment period of the loan to provide adequate security and a reasonable probability of accomplishing the objectives for which the loan is made, and (B) in the case of a grant for a period sufficient to accomplish the objectives for which the grant is made.

(3) For the purposes of this subchapter, the term “elderly or handicapped persons or families” means families which consist of two or more persons, the head of which (or his or her spouse) is at least sixty-two years of age or is handicapped. Such term also means a single person who is at least sixty-two years of age or is handicapped. A person shall be considered handicapped if such person is determined, pursuant to regulations issued by the Secretary, to have an impairment which (A) is expected to be of long-continued and indefinite duration, (B) substantially impedes his ability to live independently, and (C) is of such a nature that such ability could be improved by more suitable housing conditions, or if such person has a developmental disability as defined in section 15002 of this title. The Secretary shall prescribe such regulations as may be necessary to prevent abuses in determining, under the definitions contained in this paragraph, eligibility of families and persons for admission to and occupancy of housing constructed with assistance under this subchapter. Notwithstanding the preceding provisions of this paragraph, such term also includes two or more elderly (sixty-two years of age or over) or handicapped persons living together, one or more such persons living with another person who is determined (under regulations prescribed by the Secretary) to be essential to the care or well-being of such persons, and the surviving member or members of any family described in the first sentence of this paragraph who were living, in a unit assisted under this subchapter, with the deceased member of the family at the time of his or her death.

(4) For the purpose of this subchapter, the terms “low income families or persons” and “very low-income families or persons” means those families and persons whose incomes do not exceed the respective levels established for lower income families and very low-income families under the United States Housing Act of 1937 [42 U.S.C. 1437 et seq.]. Notwithstanding the preceding sentence, the maximum income levels established for purposes of this subchapter for

¹ So in original.

such families and persons in the Virgin Islands shall not be less than the highest such levels established for purposes of this subchapter for such families and persons in American Samoa, Guam, the Northern Mariana Islands, and the Trust Territory of the Pacific Islands. The temporary absence of a child from the home due to placement in foster care should not be considered in considering family composition and family size.

(5)(A) For the purpose of this subchapter, the terms “income” and “adjusted income” have the meanings given by sections 3(b)(4) and 3(b)(5), respectively, of the United States Housing Act of 1937 [42 U.S.C. 1437a(b)(4), (5)].

(B) For purposes of this subchapter, the term “income” does not include dividends received from the Alaska Permanent Fund by a person who was under the age of 18 years when that person qualified for the dividend.

(6) For the purposes of this subchapter, the term “Indian tribe” means any Indian tribe, band, group, and nation, including Alaska Indians, Aleuts, and Eskimos, and any Alaskan Native Village, of the United States, which is considered an eligible recipient under the Indian Self-Determination and Education Assistance Act (Public Law 93-638) [25 U.S.C. 450 et seq.] or was considered an eligible recipient under chapter 67 of title 31 prior to the repeal of such chapter.

(7) For the purposes of this subchapter, the term “rural resident” shall include a family or a person who is a renter of a dwelling unit in a rural area.

(8) For the purposes of this subchapter, the term “adequate dwelling” means a decent, safe, and sanitary dwelling unit.

(c) Conditions of eligibility

In order to be eligible for the assistance authorized by subsection (a) of this section, the applicant must show (1) that he is the owner of a farm which is without a decent, safe, and sanitary dwelling for himself and his family and necessary resident farm labor, or for the family of the operating tenant, lessee, or sharecropper, or without other farm buildings adequate for the type of farming in which he engages or desires to engage, or that he is the owner of other real estate in a rural area or a rural resident without an adequate dwelling or related facilities for his own use or buildings adequate for his farming operations, or that the applicant is an elderly or handicapped person or family in a rural area without an adequate dwelling or related facility for its own use, or that he is the owner of a farm or other real estate in a rural area who needs refinancing of indebtedness described in clause (4) of subsection (a) of this section; (2) that he is without sufficient resources to provide the necessary housing and buildings on his own account; and (3) that he is unable to secure the credit necessary for such housing and buildings from other sources upon terms and conditions which he could reasonably be expected to fulfill. If an applicant is a State or local public agency or Indian tribe—

(A) the provisions of clause (3) shall not apply to its application; and

(B) the applicant shall be eligible to participate in any program under this subchapter if

the persons or families to be served by the applicant with the assistance being sought would be eligible to participate in such program.

(d) Additional definitions

As used in this subchapter (except in sections 1473 and 1474(b) of this title) the terms “farm”, “farm dwelling”, and “farm housing” shall include dwellings or other essential buildings of eligible applicants.

(e) Prepayment of taxes, insurance, and other expenses; advances to account of borrower: interest, time for repayment

The Secretary shall establish procedures under which borrowers under this subchapter are required to make periodic payments for the purpose of taxes, insurance, and other necessary expenses as the Secretary may deem appropriate. Notwithstanding any other provision of law, such payments shall not be considered public funds. The Secretary shall direct the disbursement of the funds at the appropriate time or times for the purposes for which the funds were escrowed. The Secretary shall pay the same rate of interest on escrowed funds as is required to be paid on escrowed funds held by other lenders in any State where State law requires payment of interest on escrowed funds, subject to appropriations to the extent that additional budget authority is necessary to carry out this sentence. If the prepayments made by the borrower are not sufficient to pay the amount due, advances may be made by the Secretary to pay the costs in full, which advances shall be charged to the account of the borrower, bear interest, and be payable in a timely fashion as determined by the Secretary. The Secretary shall notify a borrower in writing when loan payments are delinquent.

(f) Increase in loan limits

With respect to any limitation on the amount of any loan which may be made, insured, or guaranteed under this subchapter for the purchase of a dwelling unit, the Secretary may increase such amount by up to 20 percent if such increase is necessary to account for the increased cost of the dwelling unit due to the installation of a solar energy system (as defined in subparagraph (3) of the last paragraph of section 1703(a) of title 12) therein.

(g) Avoidance of involuntary displacement of families and businesses

The programs authorized by this subchapter shall be carried out, consistent with program goals and objectives, so that the involuntary displacement of families and businesses is avoided.

(h) Eligibility of resident aliens

The Secretary may not restrict the availability of assistance under this subchapter for any alien for whom assistance may not be restricted under section 1436a of this title.

(i) Loan packaging by nonprofit organizations as a “development cost”

For the purposes of this subchapter, the term “development cost” shall include the packaging of loan and grant applications and actions related thereto by public and private nonprofit organizations tax exempt under title 26.

(j) Program transfers

Notwithstanding any other provision of law, the Secretary shall not transfer any program authorized by this subchapter to the Rural Development Administration.

(2) The Secretary may extend the period of any loan made under this section if the Secretary determines that such extension is necessary to permit the making of such loan to any person whose income does not exceed 60 per centum of the median income for the area and who would otherwise be denied such loan because the payments required under a shorter period would exceed the financial capacity of such person. The aggregate period for which any loan may be extended under this paragraph may not exceed 5 years.

(i) fifteen years from the date on which the loan was made in the case of a loan made or insured pursuant to a contract entered into after December 21, 1979, but before December 15, 1989, and utilized for housing and related facilities which have not received assistance under section 1490a(a)(1)(B), (a)(2), or (5) of this title or section 1437f of this title; or

(ii) twenty years from the date on which the loan was made in the case of any other such loan;

(B) The Secretary may not accept an offer to prepay, or request refinancing in accordance with subsection (b)(3) of this section of, any initial loan made or insured under section 1485 of this title pursuant to a contract entered into on or after December 15, 1989.

(B) ASSISTANCE AVAILABLE TO BORROWER TO EXTEND LOW INCOME USE.—To the extent of amounts provided in appropriation Acts, the agreement under subparagraph (A) may provide for 1 or more of the following forms of assistance that the Secretary, after taking into account local market conditions, determines to be necessary to extend the low income use of the housing and related facilities involved:

1484(j)¹ of this title, except that an equity loan referred to in this clause may not be made available after August 6, 1996, unless the Secretary determines that the other incentives available under this subparagraph are not adequate to provide a fair return on the investment of the borrower, to prevent prepayment of the loan insured under section 1484 or 1485 of this title, or to prevent the displacement of tenants of the housing for which the loan was made.

(v) Incremental rental assistance in connection with loans under clauses (ii) and (iv) to the extent necessary to avoid increases in the rental payments of current tenants not receiving rental assistance under section 1490a(a)(2) of this title or under section 1437f of this title, or current tenants of projects not assisted under section 1490a(a)(5) of this title.

- (i) is necessary to provide a fair return on the investment of the borrower; and
- (ii) is the least costly alternative for the Federal Government that is consistent with carrying out the purposes of this subsection.

(5)(A) OFFER TO SELL TO NONPROFIT ORGANIZATIONS AND PUBLIC AGENCIES.—

(i) IN GENERAL.—If the Secretary determines after a reasonable period that an agreement will not be entered into with a borrower under paragraph (4), the Secretary shall require the borrower (except as provided in subparagraph (G)) to offer to sell the assisted housing and related facilities involved to any qualified nonprofit organization or public agency at a fair market value determined by 2 independent appraisers, one of whom shall be selected by the Secretary and one of whom shall be selected by the borrower. If the 2 appraisers fail to agree on the fair market value, the Secretary and the borrower shall jointly select a third appraiser, whose appraisal shall be binding on the Secretary and the borrower.

(ii) PERIOD FOR WHICH REQUIREMENT APPLICABLE.—If, upon the expiration of 180 days after an offer is made to sell housing and related facilities under clause (i), no qualified nonprofit organization or public agency has made a bona fide offer to purchase, the Secretary may accept the offer to prepay, or may request refinancing in accordance with subsection (b)(3) of this section of, the loan. (iii) SELECTION OF QUALIFIED PURCHASER.—The Secretary shall promulgate regulations that establish criteria for selecting a qualified nonprofit organization or public agency to purchase housing and related facilities when more than 1 such organization or agency has made a bona fide offer. Such regulations shall give a priority to those organizations or agencies with the greatest experience in developing or managing low income housing or community development projects and with the longest record of service to the community.

(C) FINANCING OF SALE.—To facilitate the sale described in subparagraph (A), the Secretary shall—

(i) to the extent provided in appropriation Acts, make an advance to the nonprofit organization or public agency whose offer to purchase is accepted under this paragraph to cover any direct costs (other than the purchase price) incurred by the organization or agency in purchasing and assuming responsibility for the housing and related facilities involved;

(E) RESTRICTION ON SUBSEQUENT TRANSFERS.—Except as provided in subparagraph (B)(ii), the Secretary may not approve the transfer of any housing and related facilities purchased under this paragraph during the remaining useful life of the housing and related facilities, unless the Secretary determines that—

Except as provided in title 11, this agreement with respect to credits or principal and interest upon the borrower's indebtedness shall not be assignable nor accrue to the benefit of any third party without the written consent of the Secretary and the Secretary shall have the right, at his option, to cancel the agreement upon the sale of the farm or the execution or creation of any lien thereon subsequent to the lien given to the Secretary, or to refuse to release the lien given to the Secretary except upon payment in cash of the entire original principal plus accrued interest thereon less actual cash payments of principal and interest when the Secretary determines that the release of the lien would permit the benefits of this section to accrue to a person not eligible to receive such benefits.

acter that there is a reasonable likelihood that the making of the loan requested will carry out the purposes of this subchapter. The committees may also certify to the Secretary with respect to the amount of any loan.

§ 1479. General powers of Secretary

(a) Standards of adequate farm housing and other buildings; criteria

The Secretary, for the purposes of this subchapter, shall have the power to determine and prescribe the standards of adequate farm housing and other buildings, by farms or localities, taking into consideration, among other factors, the type of housing which will provide decent, safe, and sanitary dwelling for the needs of the family using the housing, the type and character of the farming operations to be conducted, and the size and earning capacity of the land. The Secretary shall approve a residential building as meeting such standards if the building is constructed in accordance with (1) the minimum standards prescribed by the Secretary, (2) the minimum property standards prescribed by the Secretary of Housing and Urban Development for mortgages insured under title II of the National Housing Act [12 U.S.C. 1707 et seq.], (3) the standards contained in any of the voluntary national model building codes, or (4) in the case of manufactured housing, the standards referred to in section 1472(e) of this title. To the maximum extent feasible, the Secretary shall promote the use of energy saving techniques through standards established by such Secretary for newly constructed residential housing assisted under this subchapter. Such standards shall, insofar as is practicable, be consistent with the standards established pursuant to section 526 of the National Housing Act [12 U.S.C. 1735f-4] and shall incorporate the energy performance requirements developed pursuant to such section.

(b) Terms or conditions of leases or occupancy agreements subject to change with approval of Secretary

The Secretary may require any recipient of a loan or grant to agree that the availability of

improvements constructed or repaired with the proceeds of the loan or grant under this subchapter shall not be a justification for directly or indirectly changing the terms or conditions of the lease or occupancy agreement with the occupants of such farms to the latter's disadvantage without the approval of the Secretary.

(c) Rural Housing Insurance Fund for payment of expenditures respecting construction defects; judicial review prohibition

The Secretary is authorized, after October 1, 1977, with respect to any unit or dwelling newly constructed during the period beginning eighteen months prior to October 12, 1977, and purchased with financial assistance authorized by this subchapter which he finds to have structural defects to make expenditures for (1) correcting such defects, (2) paying the claims of the owner of the property arising from such defects, or (3) acquiring title to the property, if such assistance is requested by the owner of the property within thirty-six months after financial assistance under this subchapter is rendered to the owner of the property or, in the case of property with respect to which assistance was made available within eighteen months prior to October 12, 1977, within thirty-six months after October 12, 1977. Expenditures pursuant to this subsection may be paid from the Rural Housing Insurance Fund. Decisions by the Secretary regarding such expenditures or payments under this subsection, and the terms and conditions under which the same are approved or disapproved, shall not be subject to judicial review.

(d) Defaults involving security interest in tribal lands

In the event of default involving a security interest in tribal allotted or trust land, the Secretary shall only pursue liquidation after offering to transfer the account to an eligible tribal member, the tribe, or the Indian housing authority serving the tribe or tribes. If the Secretary subsequently proceeds to liquidate the account, the Secretary shall not sell, transfer, or otherwise dispose of or alienate the property except to one of the entities described in the preceding sentence.

(e) Terms and conditions; regulations

The Secretary shall, by regulation, prescribe the terms and conditions under which expenditures and payments may be made under the provisions of this section.

(f) Housing in underserved areas

(1) Designation of underserved area

The Secretary shall designate as targeted underserved areas 100 counties and communities in each fiscal year that have severe, unmet housing needs as determined by the Secretary. A county or community shall be eligible for designation if, during the 5-year period preceding the year in which the designation is made, it has received an average annual amount of assistance under this subchapter that is substantially lower than the average annual amount of such assistance received during that 5-year period by other counties and communities in the State that are eligible for such assistance calculated on a per capita basis, and has—

(A) 20 percent or more of its population at or below the poverty level; and

(B) 10 percent or more of its population residing in substandard housing.

As used in this paragraph, the term “poverty level” has the meaning given the term in section 5302(a)(9) of this title.

(2) Preferences

In selecting projects to receive assistance with amounts set aside under paragraph (4), the Secretary shall give preference to any project located in a county or community that has, at the time of designation and as determined by the Secretary—

(A) 28 percent or more of its population at or below poverty level; and

(B) 13 percent or more of its population residing in substandard housing.

In designating underserved areas under paragraph (1), in each fiscal year the Secretary shall designate not less than 5 counties or communities that contain tribal allotted or Indian trust land.

(3) Outreach program and review

(A) Outreach

The Secretary shall publicize the availability to targeted underserved areas of grants and loans under this subchapter and promote, to the maximum extent feasible, efforts to apply for those grants and loans for housing in targeted underserved areas.

(B) Review

Upon the receipt of data from the 1990 decennial census, the Secretary shall conduct a review of any designations made under paragraph (1) and preferences given under paragraph (2) and the eligibility of communities and counties for such designation and preference, examining the effects of such data on such eligibility. The Secretary shall submit to the Congress, not later than 9 months after the availability of the data, a report regarding the review, which shall include any recommendations of the Secretary for modifications in the standards for designation and preference.

(4) Set-aside for targeted underserved areas and colonias

(A) In general

The Secretary shall set aside and reserve for assistance in targeted underserved areas an amount equal to 5.0 percent in each fiscal year of the aggregate amount of lending authority under sections 1472, 1474, 1484, 1485, and 1490d of this title. During each fiscal year, the Secretary shall set aside from amounts available for assistance under paragraphs (2) and (5) of section 1490a(a) of this title, an amount that is appropriate to provide assistance with respect to the lending authority under sections 1484 and 1485 of this title that is set aside for such fiscal year. The Secretary shall establish a procedure to reallocate any assistance set aside in any fiscal year for targeted underserved areas that has not been expended during a reasonable period in such year for use in (i)

colonias that have applied for and are eligible for assistance under subparagraph (B) or paragraph (7) and did not receive assistance, and (ii) counties and communities eligible for designation as targeted underserved areas but which were not so designated. The procedure shall also provide that any assistance reallocated under the preceding sentence that has not been expended by a reasonable date established by the Secretary (which shall be after the expiration of the period referred to in the preceding sentence) shall be made available and allocated under the laws and regulations relating to such assistance, notwithstanding this subsection.

(B) Priority for colonias

(i) Notwithstanding the designation of counties and communities as targeted underserved areas under paragraph (1) and the provisions of section 1490 of this title, colonias shall be eligible for assistance with amounts reserved under subparagraph (A), as provided in this subparagraph.

(ii) In providing assistance from amounts reserved under this paragraph in each fiscal year, the Secretary shall give priority to any application for assistance to be used in, or in close proximity to, and serving the residents of, a colonia located in a State described under clause (iii). After the Secretary has provided assistance under the priority for colonias located in a State in an amount equal to 5 percent of the total amount of assistance allocated under this subchapter to such State in the fiscal year, the priority shall not apply to any applications for colonias in such State.

(iii) This paragraph shall apply to any State for any fiscal year following 2 fiscal years in which the State obligated the total amount of assistance allocated to it under this subchapter during each of such 2 fiscal years.

(5) List of underserved areas

The Secretary shall publish annually the current list of targeted underserved areas in the Federal Register.

(6) Project preparation assistance

(A) In general

The Secretary may make grants to eligible applicants under subparagraph (D) to promote the development of affordable housing in targeted underserved areas and colonias.

(B) Use

A grant under this paragraph shall not exceed an amount that the Secretary determines to equal the customary and reasonable costs incurred in preparing an application for a loan under section 1472, 1474, 1484, 1485, or 1490d of this title, or a grant under section 1490m of this title (including pre-application planning, site analysis, market analysis, and other necessary technical assistance). The Secretary shall adjust the loan or grant amount under such sections to take account of project preparation costs that have been paid from grant proceeds under this paragraph and that normally

would be reimbursed with proceeds of the loan or grant.

(C) Approval

The Secretary shall approve a properly submitted application or issue a written statement indicating the reasons for disapproval not later than 60 days after the receipt of the application.

(D) Eligibility

For purposes of this paragraph, an eligible applicant may be a nonprofit organization or corporation, a community housing development organization, State, unit of general local government, or agency of a State or unit of general local government.

(E) Availability of funding

Any amounts appropriated to carry out this paragraph shall remain available until expended.

(7) Priority for colonias

(A) In general

In providing assistance under this subchapter in any fiscal year described under subparagraph (B), each State in which colonias are located shall give priority to any application for assistance to be used in a colonia. The priority under this subparagraph shall not apply in such State after 5 percent of the assistance available in such fiscal year has been allocated for colonias qualifying for the priority.

(B) Covered years

This paragraph shall apply to any fiscal year following 2 fiscal years in which the State did not obligate the total amount of assistance allocated it under this subchapter during each of such 2 fiscal years.

(8) "Colonia" defined

For purposes of this subsection, the term "colonia" means any identifiable community that—

(A) is in the State of Arizona, California, New Mexico, or Texas;

(B) is in the area of the United States within 150 miles of the border between the United States and Mexico, except that the term does not include any standard metropolitan statistical area that has a population exceeding 1,000,000;

(C) is determined to be a colonia on the basis of objective criteria, including lack of potable water supply, lack of adequate sewage systems, and lack of decent, safe, and sanitary housing; and

(D) was in existence as a colonia before November 28, 1990.

(1) no such loan shall exceed the development cost or the value of the security, whichever is less;

(2) such a loan may be made for a period of up to 30 years from the making of the loan; and

(3) such a loan, when made to a consumer cooperative for cooperative housing purposes, may, notwithstanding any other provision of law, be made upon the condition that any person who is admitted as an eligible member and tenant of the cooperative may not subsequently be deprived of his membership or tenancy by reason of his no longer meeting the income eligibility requirements established by the Secretary.

There is authorized to be appropriated not to exceed \$50,000,000, which shall constitute a revolving fund to be used by the Secretary in carrying out this subsection.

(b) Insurance of loans; authorization; terms and conditions; utilization of Agricultural Credit Insurance Fund

The Secretary is authorized to insure and make commitments to insure loans made to any individual, corporation, association, trust, Indian tribe, or partnership to provide rental or cooperative housing and related facilities for elderly or handicapped persons or families or other persons and families of moderate income in rural areas, in accordance with terms and conditions substantially identical with those specified in section 1472 of this title; except that—

(1) no such loan shall exceed the development cost or the value of the security, whichever is less;

(2) such a loan may be made for a period of up to 30 years from the making of the loan, but the Secretary may provide for periodic payments based on an amortization schedule of 50 years with a final payment of the balance due at the end of the term of the loan;

(3) for insuring such loans, the Secretary shall utilize the Agricultural Credit Insurance Fund subject to all the provisions of section 1929 of title 7 and the second and third sentences of section 1928¹ of title 7, including the authority in section 1929(f)(1)¹ of title 7 to utilize the insurance fund to make, sell, and insure loans which could be insured under this subsection; but the aggregate of the principal

amounts of such loans made by the Secretary and not disposed of shall not exceed \$10,000,000 outstanding at any one time; and the Secretary may take liens running to the United States though the notes may be held by other lenders;

(4) such a loan, when made to a consumer cooperative for cooperative housing purposes, may, notwithstanding any other provision of law, be made upon the condition that any person who is admitted as an eligible member and tenant of the cooperative may not subsequently be deprived of his membership or tenancy by reason of his no longer meeting the income eligibility requirements established by the Secretary;

(5) loans may be made to owners who are otherwise eligible under this section to purchase and convert single-family residences to rental units of two or more dwellings; and

(6) the Secretary may make a new loan to the current borrower to finance the final payment of the original loan for an additional period not to exceed twenty years, if—

(A) the Secretary determines—

(i) it is more cost-efficient and serves the tenant base more effectively to maintain the current property than to build a new property in the same location; or

(ii) the property has been maintained to such an extent that it warrants retention in the current portfolio because it can be expected to continue providing decent, safe, and affordable rental units for the balance of the loan; and

(B) the Secretary determines—

(i) current market studies show that a need for low-income rural rental housing still exists for that area; and

(ii) any other criteria established by the Secretary has been met.

(c) Equity recapture loans and loans to nonprofit organizations and public agencies

With respect to a loan made or insured under subsection (a) or (b) of this section, the Secretary is authorized to—

(1) make or insure an equity loan in the form of a supplemental loan for the purpose of equity takeout to the owner of housing financed with a loan made or insured under this section pursuant to a contract entered into before December 15, 1989, for the purpose of extending the affordability of the housing for low income families or persons and very low-income families or persons for not less than 20 years, except that such loan may not exceed 90 percent of the value of the equity in the project as determined by the Secretary;

(2) transfer and reamortize an existing loan in connection with assistance provided under paragraph (1); and

(3) make or insure a loan to enable a nonprofit organization or public agency to make a purchase described in section 1472(c)(5) of this title.

(d) Construction requirements; detached units for cooperative housing

No loan shall be made or insured under subsection (a) or (b) of this section unless the Sec-

retary finds that the construction involved will be undertaken in an economical manner and will not be of elaborate or extravagant design or materials. However, specifically designed equipment required by elderly or handicapped persons or families shall not be considered elaborate or extravagant. A loan may be made or insured under subsection (a) or (b) of this section with respect to detached units, including those on scattered sites, for cooperative housing.

(e) Definitions

As used in this section—

(1) the term “housing” means new or existing housing suitable for dwelling use by occupants eligible under this section, and such term also means manufactured home rental parks where either the lots or both the lots and the homes are available for use by occupants eligible under this section; and such term also means congregate housing facilities for elderly or handicapped persons or families who require some supervision and central services but are otherwise able to care for themselves; such housing for the handicapped may be utilized in conjunction with educational and training facilities;

(2) the term “related facilities” includes cafeterias or dining halls, community rooms or buildings, appropriate recreation facilities, and other essential service facilities;

(3) the term “congregate housing” means housing in which (A) some of the units may not have kitchen facilities, and (B) there is a central dining facility to provide wholesome and economic meals for elderly or handicapped persons or families.

(4) the term “development cost” means the costs of constructing, purchasing, improving, altering, or repairing new or existing housing and related facilities and purchasing and improving the necessary land, including necessary and appropriate fees and charges, initial operating expenses up to 2 per centum of the aforementioned costs, approved by the Secretary, impact fees, local charges for installation, provision, or use of infrastructure, and local assessments for public improvements and services imposed by State and local governments. Such fees and charges may include payments of qualified consulting organizations or foundations which operate on a nonprofit basis and which render services or assistance to nonprofit corporations or consumer cooperatives who provide housing and related facilities for low or moderate income families. Notwithstanding the first sentence of this paragraph, the term “development cost” shall not include any initial operating expenses in the case of any nonprofit corporation or consumer cooperative that is financing housing under this section and has been allocated a low-income housing tax credit by a housing credit agency pursuant to section 42 of title 26.

(f) Administrative expenses

Amounts made available pursuant to section 1483 of this title shall be available for administrative expenses incurred under this section.

(g) Loans for financing transfers of memberships in cooperatives

Notwithstanding the provisions of subsections (a) and (b) of this section, the Secretary may make and insure loans to consumer cooperatives to enable such cooperatives to finance the transfers of memberships in the cooperatives upon such terms and conditions as low- and moderate-income persons can reasonably afford, except that such loans shall not be made upon terms more favorable than are authorized under section 1490a(a) of this title, and that the total loan to a cooperative under this section shall not exceed the value of the property.

(h) Project transfers

(1) Condition

After August 6, 1996, the ownership or control of a project for which a loan is made or insured under this section may be transferred only if the Secretary determines that such transfer would further the provision of housing and related facilities for low-income families or persons and would be in the best interests of residents and the Federal Government.

(2) Actions to expedite project approvals

(A) In general

The Secretary shall take actions to facilitate timely approval of requests to transfer ownership or control, for the purpose of rehabilitation or preservation, of multifamily housing projects for which assistance is provided by the Secretary of Agriculture in conjunction with any low-income housing tax credits under section 42 of title 26 or tax-exempt housing bonds.

(B) Consultation

The Secretary of Agriculture shall consult with the Commissioner of the Internal Revenue Service and take such actions as are appropriate in conjunction with such consultation to simplify the coordination of rules, regulations, forms (including applications forms for project transfers), and approval requirements² multifamily housing projects for which assistance is provided by the Secretary of Agriculture in conjunction with any low-income housing tax credits under section 42 of title 26 or tax-exempt housing bonds.

(C) Existing requirements

Any actions taken pursuant to this paragraph shall be taken in a manner that provides for full compliance with any existing requirements under law or regulation that are designed to protect families receiving Federal housing assistance, including income targeting, rent, and fair housing provisions, and shall also comply with requirements regarding environmental review and protection and wages paid to laborers.

(D) Recommendations

In implementing the changes required under this paragraph, the Secretary shall solicit recommendations regarding such changes from project owners and sponsors,

investors and stakeholders in housing tax credits, State and local housing finance agencies, tenant advocates, and other stakeholders in such projects.

(i) Limitations on cost increases after approval for project involving newly constructed or substantially rehabilitated units; applicable factors

After approving a project involving newly constructed or substantially rehabilitated units under this section, the Secretary shall limit cost increases to those approved by the Secretary. The Secretary may approve those increases only for unforeseen factors beyond the owner's control, design changes required by the Secretary or the local government, or changes in financing approved by the Secretary.

(j) Contract preferences for providing units in newly constructed projects

For the purpose of achieving the lowest cost in providing units in newly constructed projects assisted under this section, the Secretary shall give a preference in entering into contracts under this section for projects which are to be located on specific tracts of land provided by States, units of local government, or others if the Secretary determines that the tract of land is suitable for such housing, and that affording such preference will be cost effective.

(k) Management fees

The Secretary shall assure that management fees are not excessive when a project developed under this section is managed by the developer or an affiliate of the developer.

(l) Determination of market feasibility of project

For purposes of determining the market feasibility of any project to be assisted under this section—

(1) in the case of any applicant who applies for rental assistance payments under section 1490a of this title in connection with such project, the Secretary shall consider the availability of such rental assistance payments with respect to the project and shall require such applicant to demonstrate that a market exists for persons and families eligible for such rental assistance payments; and

(2) in the case of any applicant whose project is expected to utilize any assistance under a program of a State, or political subdivision thereof, that is similar to such assistance payments under section 1490a of this title, the Secretary shall only require such applicant to demonstrate that—

(A) a market exists for persons and families eligible for such program of assistance;

(B) such program of assistance will provide rental assistance for a period of not less than five years, and, at the option of the applicant, either that there is a reasonable assurance that the contract for assistance will be extended or renewed, or for the term of the loan remaining after the period of such assistance, that an adequate rental market exists for the project without such assistance; and

(C) during the term of such rental assistance contracts, such State or political sub-

division shall make available the amounts required for such rental assistance not less than annually.

(m) Standards for housing and related facilities rehabilitated or repaired; establishment, criteria, etc.

The Secretary shall establish standards for housing and related facilities rehabilitated or repaired with amounts received under a loan made or insured under this section. Standards established by the Secretary under this subsection shall provide that except for substantial rehabilitation the particular items or systems repaired or rehabilitated must meet appropriate levels of quality or performance comparable to those levels prescribed by the Secretary of Housing and Urban Development for rehabilitation, but shall not require that such items or systems or the remainder of the property meet the standards which are applicable to new construction. The Secretary shall ensure that standards prescribed under this subsection provide decent, safe, and sanitary housing and related facilities.

(n) Assistance to projects located on more than one site

The Secretary may not deny assistance under this section or section 1490a of this title on the basis that the project involved is to be located on more than one site.

(o) Rental assistance payments as affecting assistance to projects or occupancy by eligible persons

The Secretary may not (1) deny assistance under this section on the basis that rental assistance payments under section 1490a of this title may be required unless the authority to provide such assistance is not available; or (2) promulgate any regulation that would have the effect of denying occupancy to eligible persons on the basis that such persons require rental assistance payments under section 1490a of this title.

(p) Occupancy by low income persons and families other than very low-income persons and families

(1) To the extent assistance is available under section 1490a(a)(2) of this title, not more than 25 per centum of the dwelling units which were available for occupancy under this section prior to November 30, 1983, and which will be leased on or after November 30, 1983, shall be available for leasing by low income persons and families other than very low-income persons and families.

(2) To the extent assistance is available under section 1490a(a)(2) of this title, not more than 5 per centum of the dwelling units which become available for occupancy under this section on or after November 30, 1983, shall be available for leasing by low income persons and families other than very low-income persons and families.

(3) Units in projects financed under this section which become available for occupancy after November 30, 1983, shall not be available for occupancy by persons and families other than very low-income persons and families if the authority to provide assistance for such persons is available.

(4) In projects financed under this section, units that have been allocated a low-income housing tax credit by a housing credit agency pursuant to section 42 of title 26 shall not be available for occupancy by persons or families other than persons or families with incomes not in excess of the qualifying income applicable to such units pursuant to subparagraph (A) or (B) of section 42(g)(1) of title 26.

(5) The Secretary shall coordinate the processing of any application for a loan under this section for a project and the processing of any application for assistance under section 1490a(a)(2) of this title with respect to housing units in the same project in an economical and efficient manner. At the time the Secretary enters into a commitment to make or insure a loan under this section the Secretary shall obligate amounts for assistance payments under section 1490a(a)(2) of this title for the project, to the extent that such amounts are available and the Secretary determines such assistance is necessary for the market feasibility of the project.

(q) Determination of income of person or family occupying financed housing

In determining the income of a person or family occupying housing financed under this section, the Secretary shall consider the value of that person's or family's assets in the same manner as the Secretary of Housing and Urban Development considers such value for the purpose of the United States Housing Act of 1937 [42 U.S.C. 1437 et seq.].

(r) Operating reserve and equity contribution requirements; regulations to implement adjustment by negotiated rulemaking procedure

(1) the³ Secretary—

(A) may require that the initial operating reserve under this section may be in the form of an irrevocable letter of credit; and

(B) except as provided in paragraph (2), may require not more than a 3 percent contribution to equity, except that the Secretary shall require a 5 percent contribution in the case of a project that is allocated a low-income housing tax credit pursuant to section 42 of title 26.

(2) The Secretary may adjust the amount of equity contribution to ensure that assistance provided is not more than is necessary to provide affordable housing after taking account of assistance from all Federal, State, and local sources.

(3) Not later than 60 days after August 6, 1996, the Secretary shall issue regulations to implement subsection (r)(2) of this section in accordance with the negotiated rulemaking procedures set forth in subchapter III of chapter 5 of title 5: *Provided*, That if the negotiated rulemaking is not completed within the designated time, the Secretary shall proceed to promulgate regulations under the rulemaking authority contained in section 557 of title 5.

(s) Limitation of fees on loans

No fee other than a late fee may be imposed by or for the Secretary or any other Federal agency on or with respect to a loan made or insured under this section.

³ So in original. Probably should be capitalized.

(t) Equity takeout loans**(1) Authority**

The Secretary is authorized to guarantee an equity loan (in the form of a supplemental loan) to an owner of housing financed with a loan made or insured under subsection (b) of this section, only if the Secretary determines, after taking into account local market conditions, that there is reasonable likelihood that the housing will continue as decent, safe, and sanitary housing for the remaining life of the original loan on the project made or insured under subsection (b) of this section and that such an equity loan is—

(A) necessary to provide a fair return on the owner's investment in the housing;

(B) the least costly alternative for the Federal Government that is consistent with carrying out the purposes of this subsection; and

(C) would not impose an undue hardship on tenants or an unreasonable cost to the Federal Government.

The amount of loans guaranteed under this subsection shall be subject to limits provided in appropriations Acts.

(2) Timing

The Secretary is authorized to guarantee an equity loan under this subsection after the expiration of the 20-year period beginning on the date that an existing loan under subsection (b) of this section was made or insured. Not more than one equity loan under this subsection may be provided for any project.

(3) Amount of the takeout

The amount of an equity loan under this subsection shall not exceed the difference between the outstanding principal on debt secured by the project and 90 percent of the appraised value of the project. The appraised value of the project shall be determined by 2 independent appraisers, 1 of whom shall be selected by the Secretary and 1 of whom shall be selected by the owner. If the 2 appraisers fail to agree on the value of the project, the Secretary and the owner shall jointly select a third appraiser whose appraisal shall be binding on the Secretary and the owner. The amount of the equity loan shall not exceed 30 percent of the amount of the original appraised value of the project made or insured under subsection (b) of this section.

(4) Submission of plan

An owner requesting an equity loan under this subsection shall submit a plan acceptable to the Secretary to ensure that the cost of amortizing an equity loan under paragraph (1) does not result in the displacement of very-low-income tenants or substantially alter the income mix of the tenants in the project.

(5) Regulations

The Secretary shall issue final regulations within 180 days from December 15, 1989.

(6) Effective date

The requirements of this subsection shall apply to any loan obligated under this section on or after December 15, 1989. This subsection

shall not require retroactive reserve account payments with respect to any loan that was obligated on or after December 15, 1989, and on or before June 16, 1990, but reserve account payments shall be required for such loans beginning on November 28, 1990.

(u) Reuse of loan authority

Loan authority that is obligated under this section but that is not expended due to any action that removes the original borrower, may be reallocated to a different borrower during the same fiscal year in which the loan authority was obligated. Any loan authority under this section appropriated or made available within limits established in appropriations Acts shall remain available until expended.

(v) Assumption of loans

The Secretary may provide for the assumption or transfer of a loan or loan obligation under this section to any person or entity qualified to receive a loan or loan obligation under this section in any case of default or foreclosure with respect to the original borrower. The Secretary shall provide in each assumption or transfer under this subsection for the assumption of the obligations, rights, and interests under the terms of the loan or loan obligation or such other terms as the Secretary determines appropriate.

(w) Set-aside of rural rental housing funds**(1) Authority**

Except as provided in paragraph (2), the Secretary shall set aside from amounts made available for each State for loans under this section, not less than 9 percent of the amounts available in each fiscal year. Amounts set aside shall be available only for nonprofit entities in the State, which may not be wholly or partially owned or controlled by a for-profit entity. A partnership, that has as its general partner a nonprofit entity or the nonprofit entity's for-profit subsidiary, is eligible to receive funds set aside under this subsection to sponsor a project which is receiving low-income housing tax credits authorized under section 42 of title 26. For the purposes of this subsection, a nonprofit entity is an organization that—

(A) will own an interest in a project to be financed under this section and will materially participate in the development and the operation of the project;

(B) is a private organization that has nonprofit, tax exempt status under section 501(c)(3) or section 501(c)(4) of title 26;

(C) has among its purposes the planning, development, or management of low-income housing or community development projects; and

(D) is not affiliated with or controlled by a for-profit organization.

(2) Minimum State set-aside

If the amount set aside under paragraph (1) for any State is less than \$750,000 in any fiscal year, the Secretary shall pool such amount together with set-aside amounts from other States whose set-aside is less than \$750,000, and shall make such amounts available for

such eligible entities under paragraph (1) in any such State. The Secretary shall establish a procedure to provide that any amounts pooled under this paragraph from the allocation for any State in any fiscal year that are not obligated during a reasonable period in such year shall be made available for any such eligible entities under paragraph (1) in such State. The Secretary may provide amounts available for reallocation under this subsection in excess of \$750,000 in a given State, if such amounts are necessary to finance a project under this section.

(3) Unused amounts

(A) Equitable distribution

Any amounts set aside under this subsection from the allocation for any State that are not obligated by 9 months after the allocation, shall first be pooled and made available to any other eligible nonprofit entity in any State as defined in this subsection. The Secretary shall make reasonable efforts to ensure that pooled funds are distributed under this subparagraph in an equitable manner.

(B) Return to the States

After funds have been pooled and obligated for 30 days, the Secretary shall return any remaining funds to the States on a proportional basis for use by any other eligible entity as defined in this section.

(x) Uniform project costs; coordination of housing resources and tax benefits

The Secretary shall—

(1) establish standard guidelines for State offices that describe allowable development costs which are required for development of all projects under this section, without regard to whether the project was allocated a low-income housing tax credit;

(2) require each State to establish a process for coordinating the selection of projects under this section with the housing needs and priorities as established in a State comprehensive housing affordability strategy under section 12705 of this title and a low-income housing tax credit allocation plan under section 42 of title 26; and

(3) develop, in consultation with housing credit agencies (as that term is defined under section 42 of title 26), uniform procedures for identifying and sharing information on project costs, builder profit, identity of interests relationships, and other factors, as appropriate, with the relevant housing credit agency for projects that are allocated a low-income housing tax credit pursuant to section 42(h) of title 26 for the purpose of achieving compliance with section 3545(d) of this title.

(y) Service coordinators

(1) Grants

The Secretary may make grants under this subsection, with respect to any project that the Secretary determines has a sufficient number of frail elderly residents, for the cost of employing or otherwise retaining the services of one or more individuals to coordinate services provided to frail elderly residents of

the project (in this subsection referred to as a “service coordinator”), who shall be responsible for—

(A) assessing the supportive service needs of frail elderly residents of the project, based on objective criteria and interviews with such residents;

(B) working with service providers to design the provision of services to meet the needs of frail elderly residents of the project, taking into consideration the needs and desires of such residents and their ability and willingness to pay for such services, as expressed by the residents;

(C) mobilizing public and private resources to obtain funding for such services for such residents;

(D) monitoring and evaluating the impact and effectiveness of any supportive services provided for such residents;

(E) consulting and coordinating with any appropriate public and private agencies regarding the provision of supportive services; and

(F) performing such other duties that the Secretary deems appropriate to enable frail elderly persons residing in federally assisted housing to live with dignity and independence.

(2) Qualifications

Individuals employed as service coordinators pursuant to this subsection shall meet the minimum qualifications and standards established under section 8011(d)(4) of this title for service coordinators under a congregate housing services program.

(3) Application and selection

The Secretary shall provide for the form and manner of applications for grants under this subsection and for the selection of applicants to receive the grants.

(4) “Frail elderly” defined

For purposes of this subsection, the term “frail elderly” has the meaning given the term in section 8011(k) of this title.

(z) Accounting and recordkeeping requirements

(1) Accounting standards

The Secretary shall require that borrowers in programs authorized by this section maintain accounting records in accordance with generally accepted accounting principles for all projects that receive funds from loans made or guaranteed by the Secretary under this section.

(2) Record retention requirements

The Secretary shall require that borrowers in programs authorized by this section retain for a period of not less than 6 years and make available to the Secretary in a manner determined by the Secretary, all records required to be maintained under this subsection and other records identified by the Secretary in applicable regulations.

(aa) Double damages for unauthorized use of housing projects assets and income

(1) Action to recover assets or income

(A) In general

The Secretary may request the Attorney General to bring an action in a United

States district court to recover any assets or income used by any person in violation of the provisions of a loan made or guaranteed by the Secretary under this section or in violation of any applicable statute or regulation.

(B) Improper documentation

For purposes of this subsection, a use of assets or income in violation of the applicable loan, loan guarantee, statute, or regulation shall include any use for which the documentation in the books and accounts does not establish that the use was made for a reasonable operating expense or necessary repair of the project or for which the documentation has not been maintained in accordance with the requirements of the Secretary and in reasonable condition for proper audit.

(C) Definition

For the purposes of this subsection, the term “person” means—

- (i) any individual or entity that borrows funds in accordance with programs authorized by this section;

(A) In general

In any judgment favorable to the United States entered under this subsection, the Attorney General may recover double the value of the assets and income of the project that the court determines to have been used in violation of the provisions of a loan made or guaranteed by the Secretary under this section or any applicable statute or regulation, plus all costs related to the action, including reasonable attorney and auditing fees.

(B) Application of recovered funds

Notwithstanding any other provision of law, the Secretary may use amounts recovered under this subsection for activities authorized under this section and such funds shall remain available for such use until expended.

(3) Time limitation

Notwithstanding any other provision of law, an action under this subsection may be commenced at any time during the 6-year period beginning on the date that the Secretary discovered or should have discovered the violation of the provisions of this section or any related statutes or regulations.

(4) Continued availability of other remedies

The remedy provided in this subsection is in addition to and not in substitution of any other remedies available to the Secretary or the United States.

§ 1486. Financial assistance to provide low-rent housing for domestic farm labor

(a) Application; considerations

Upon the application of any State or political subdivision thereof, or any Indian tribe, or any broad-based public or private nonprofit organization incorporated within the State, or any nonprofit organization of farmworkers incorporated within the State, the Secretary is authorized to provide financial assistance for the provision of low-rent housing and related facilities (which may be located any place within the State) for domestic farm labor, if he finds that—

(1) the housing and related facilities for which financial assistance is requested will fulfill a pressing need in the area in which such housing and facilities will be located, and there is reasonable doubt that the same can be provided without financial assistance under this section;

(2) the applicant will contribute, from its own resources or from funds borrowed under section 1484 of this title or elsewhere, at least 10 per centum of the total development cost;

(3) the types of housing and related facilities to be provided are most practicable, giving due consideration to the purposes to be served thereby and the needs of the occupants thereof, and such housing and facilities shall be durable and suitable for year-around occupancy or use, unless the Secretary finds that there is no need for such year-around occupancy or use in that area; and

(4) the construction will be undertaken in an economical manner, and the housing and related facilities will not be of elaborate or extravagant design or material.

(b) Maximum amount of assistance

The amount of any financial assistance provided under this section for low-rent housing and related facilities shall not exceed 90 per centum of the total development cost thereof, as determined by the Secretary, less such amount as the Secretary determines can be practicably obtained from other sources (including a loan under section 1484 of this title).

(c) Prerequisite agreements; rentals; safety and sanitation standards; priority of domestic farm labor

No financial assistance for low-rent housing and related facilities shall be made available under this section unless, to any extent and for any periods required by the Secretary, the applicant agrees—

(1) that the rentals charged domestic farm labor shall not exceed such amounts as may be approved by the Secretary, giving due consideration to the income and earning capacity of the tenants, and the necessary costs of operating and maintaining such housing;

(2) that such housing shall be maintained at all times in a safe and sanitary condition in accordance with such standards as may be prescribed by State or local law, or, in the absence of such standards, in accordance with such minimum requirements as the Secretary shall prescribe; and

(3) an absolute priority will be given at all times in granting occupancy of such housing and facilities to domestic farm labor.

(d) Payments; contracts to specify uses of housing

The Secretary may make payments pursuant to any contract for financial assistance under this section at such times and in such manner, as may be specified in the contract. In each contract, the Secretary shall include such covenants, conditions, or provisions as he deems necessary to insure that the housing and related facilities, for which financial assistance is made available, be used only in conformity with the provisions of this section.

(e) Regulations for prevention of waste

The Secretary shall prescribe regulations to insure that Federal funds expended under this section are not wasted or dissipated. The Secretary shall not give priority for funding under this section to any one of the groups listed in subsection (a) of this section over any of the others so listed.

(f) Wages; labor standards; waiver; authority and functions of Secretary

All laborers and mechanics employed by contractors or subcontractors on projects assisted by the Secretary which are undertaken by approved applicants under this section shall be paid wages at rates not less than those prevailing on similar construction in the locality, as determined by the Secretary of Labor in accordance with sections 3141-3144, 3146, and 3147 of title 40. The Secretary shall not extend any financial assistance under this section for any project without first obtaining adequate assurance that these labor standards will be maintained on the construction work; except that compliance with such standards may be waived by the Secretary in cases or classes of cases where laborers or mechanics, not otherwise employed at any time on the project, voluntarily donate their services without compensation for the purpose of lowering the costs of construction and the Secretary determines that any amounts thereby saved are fully credited to the person, corporation, association, organization, or other entity, undertaking the project. The Secretary of Labor shall have, with respect to the labor standards specified in this section, the authority and functions set forth in Reorganization Plan Numbered 14 of 1950 (15 F.R. 3176; 64 Stat. 1267), and section 3145 of title 40.

(g) Definitions

As used in this section—

(1) the term “low-rent housing” means rental housing within the financial reach of families of low income consisting of (A) new structures (including household furnishings) suitable for dwelling use by domestic farm labor, and (B) existing structures (including household furnishings) which can be made suitable for dwelling use by domestic farm labor by rehabilitation, alteration, conversion, or improvement;

(2) the terms “related facilities” and “domestic farm labor” shall have the meaning assigned to them in section 1484(f) of this title;

¹ See References in Text note below.

(4) the term “domestic farm labor” has the meaning given such term in section 1484(f)(3) of this title.

(h) Migrant farmworker housing

Notwithstanding the provisions of subsection (a)(3) of this section, the Secretary may, upon a finding of persistent need for migrant farmworker housing in any area, provide assistance to eligible applicants for 90 per centum of the development costs of such housing in such area to be used solely by migrant farmworkers while they are away from their residence. Such housing shall be constructed in such a manner as to be safe and weatherproof for the time it is to be occupied, be equipped with potable water and modern sanitation facilities (including a kitchen sink, toilet, and bathing facilities), and meet such other requirements as the Secretary may prescribe.

(i) Farm labor housing

The Secretary shall utilize not more than 10 per centum of the amounts available for any fiscal year for purposes of this section for financial assistance to eligible private and public non-profit agencies to encourage the development of domestic and migrant farm labor housing projects under this subchapter.

(j) Domestic farm labor housing available for other families

Housing and related facilities constructed with grants under this section may be used for tenants eligible for occupancy under section 1485 of this title if the Secretary determines that—

- (1) there is no longer a need in the area for farm labor housing; or
- (2) the need for such housing in the area has diminished to the extent that the purpose of the grant, providing housing for domestic farm labor, can no longer be met.

(k) Housing for rural homeless and migrant farmworkers

(1) In general

The Secretary may provide financial assistance for providing affordable rental housing and related facilities for migrant farmworkers and homeless individuals (and the families of such individuals) to applicants as provided in this subsection.

(2) Types of assistance

(A) In general

The Secretary may provide the following assistance for housing under this subsection:

- (i) An advance, in an amount not to exceed \$400,000, of the cost of acquisition, substantial rehabilitation, or acquisition and rehabilitation of an existing structure or construction of a new structure for use in the provision of housing under this subsection. The repayment of any outstanding debt owed on a loan made to purchase an existing structure shall be considered to be a cost of acquisition eligible for an advance under this subparagraph if the structure was not used for the purposes under this subsection prior to the receipt of assistance.
- (ii) A grant, in an amount not to exceed \$400,000, for moderate rehabilitation of an

existing structure for use in the provision of housing under this subsection.

- (iii) Annual payments for operating costs of such housing (without regard to whether the housing is an existing structure), not to exceed 75 percent of the annual operating costs of such housing.

(B) Available assistance

A recipient may receive assistance under both clauses (i) and (ii) of subparagraph (A). The Secretary may increase the limit contained in such clauses to \$800,000 in areas which the Secretary finds have high acquisition and rehabilitation costs.

(C) Repayment of advance

Any advance provided under subparagraph (A)(i) shall be repaid on such terms as may be prescribed by the Secretary when the project ceases to be used as housing in accordance with the provisions of this subsection. Recipients shall be required to repay 100 percent of the advance if the housing is used for purposes under this subsection for fewer than 10 years following initial occupancy. If the housing is used for such purposes for more than 10 years, the percentage of the amount that shall be required to be repaid shall be reduced by 10 percentage points for each year in excess of 10 that the property is so used.

(D) Prevention of undue benefits

Upon any sale or other disposition of housing acquired or rehabilitated with assistance under this subsection prior to the close of 20 years after the housing is placed in service, other than a sale or other disposition resulting in the use of the project for the direct benefit of low income persons or where all of the proceeds are used to provide housing for migrant farmworkers and homeless individuals (and the families of such individuals), the recipient shall comply with such terms and conditions as the Secretary may prescribe to prevent the recipient from unduly benefiting from the sale or other disposition of the project.

(3) Program requirements

(A) Applications

(i) Applications for assistance under this subsection shall be submitted by an applicant in such form and in accordance with such procedures as the Secretary shall establish.

(ii) The Secretary shall require that applications contain at a minimum (I) a description of the proposed housing, (II) a description of the size and characteristics of the population that would occupy the housing, (III) a description of any public and private resources that are expected to be made available in connection with the housing, (IV) a description of the housing needs for migrant farmworkers and homeless individuals (and the families of such individuals) in the area to be served by the housing, and (V) assurances satisfactory to the Secretary that the housing assisted will be operated for not less than 10 years for the purpose specified in the application.

(iii) The Secretary shall require that an application furnish reasonable assurances that the housing will be available for occupancy by homeless individuals (and the families of such individuals) only on an emergency and temporary basis during the off-season and shall be otherwise available for occupancy by migrant farmworkers (and their families).

(iv) The Secretary shall require that an application furnish reasonable assurances that the applicant will own or have control of a site for the proposed housing not later than 6 months after notification of an award for grant assistance. An applicant may obtain ownership or control of a suitable site different from the site specified in the application. If an applicant fails to obtain ownership or control of the site within 1 year after notification of an award for grant assistance, the grant shall be recaptured and reallocated.

- (i) the ability of the applicant to develop and operate the housing;
- (ii) the feasibility of the proposal in providing the housing;
- (iii) the need for such housing in the area to be served;
- (iv) the cost effectiveness of the proposed housing;
- (v) the extent to which the project would meet the needs of migrant farmworkers and homeless individuals (and the families of such individuals) in the State;
- (vi) the extent to which the applicant has control of the site of the proposed housing; and
- (vii) such other factors as the Secretary determines to be appropriate for purposes of this subsection.

(C) Required agreements

The Secretary may not approve assistance for any housing under this subsection unless the applicant agrees—

- (i) to operate the proposed project as housing for migrant farmworkers and homeless individuals (and the families of such individuals) in compliance with the provisions of this subsection and the application approved by the Secretary;
- (ii) to monitor and report to the Secretary on the progress of the housing; and
- (iii) to comply with such other terms and conditions as the Secretary may establish for purposes of this subsection.

(5) Limitation on administrative expenses

§ 1487. Rural Housing Insurance Fund

(a) Authority to make and insure loans for housing and buildings on adequate farms; amounts

The Secretary may insure loans meeting the requirements of section 1472 of this title, and may make loans in accordance with the requirements of such section to be sold and insured. The amount of such a loan to a low income person or family shall not exceed the amount necessary to provide adequate housing which is modest in size, design, and cost (as determined by the Secretary).

(b) Authority to make and insure loans for housing and related facilities for domestic farm labor and elderly persons; transfer of notes, contracts, and mortgages from Agricultural Credit Insurance Fund; compensation

The Secretary may insure loans in accordance with the requirements of section 1484 of this

title (exclusive of subsections (a)(3), (a)(5), and (b) thereof), 1485 of this title (exclusive of subsections (a) and (b)(3) thereof), 1490d, and 1490f of this title, and may make loans meeting such requirements to be sold and insured. Upon the expiration of ninety days after the original capitalization of the Rural Housing Insurance Fund, created by subsection (e) of this section, no new loans shall be made or insured under section 1484 or 1485(b) of this title, except in conformity with this section. The notes held in the Agricultural Credit Insurance Fund (section 1929 of title 7) which evidence loans made or insured by the Secretary under section 1484 or 1485(b) of this title, the rights and liabilities of that Fund under insurance contracts relating to such loans held by insured investors, the mortgages securing the obligations of the borrowers under such loans held in the Fund or by insured investors, and all rights to subsequent collections on and proceeds of such notes, contracts, and mortgages, are hereby transferred to the Rural Housing Insurance Fund and for the purposes of this subchapter and any other Act shall be subject to the provisions of this section as if created pursuant thereto. The Rural Housing Insurance Fund shall compensate the Agricultural Credit Insurance Fund for the aggregate unpaid principal balance plus accrued interest of the notes so transferred.

(c) Use of funds from Rural Housing Insurance Fund for loans; sale of insured and guaranteed loans to public

The Secretary may use the Rural Housing Insurance Fund for the purpose of making loans to be sold and insured under this section. Any loan made and sold by the Secretary under this section after April 7, 1986 (and any loan made by other lenders under this subchapter that is insured or guaranteed in accordance with this section, is purchased by the Secretary, and is sold by the Secretary under this section after such date) shall be sold to the public and may not be sold to the Federal Financing Bank, unless such sale to the Federal Financing Bank is required to service transactions under this subchapter between the Secretary and the Federal Financing Bank occurring on or before such date.

(d) Authority to insure payment of interest and principal; liens; assignability of notes evidencing loans; interest subsidy on insured and guaranteed loans offered for sale to public; protection of borrowers under loans sold to public

(1) The Secretary may, in conformity with subsections (a), (b), and (m) of this section, insure the payment of principal and interest on loans made by lenders other than the United States, and on loans made from or otherwise acquired by the Rural Housing Insurance Fund which are sold by the Secretary. Any contract of insurance executed by the Secretary hereunder shall be an obligation supported by the full faith and credit of the United States, and shall be incontestable except for fraud or material misrepresentation of which the holder has actual knowledge. In connection with loans insured under this section, the Secretary may take liens running to the United States notwithstanding the fact that the notes evidencing such loans

may be held by lenders other than the United States. Notes evidencing such loans shall be freely assignable, but the Secretary shall not be bound by any such assignment until notice thereof is given to and acknowledged by him.

(2) Each loan made by the Secretary or other lenders under this subchapter that is insured or guaranteed in accordance with this subsection shall, when offered for sale to the public, be accompanied by an agreement by the Secretary to pay to the holder of such loan (through an agreement to purchase such loan or through such other means as the Secretary determines to be appropriate) the difference between the rate of interest paid by the borrower of such loan and the market rate of interest (as determined by the Secretary) on obligations having comparable periods to maturity on the date of such sale.

(3) Each loan made by the Secretary or other lenders under this subchapter that is insured or guaranteed in accordance with this subsection shall, when offered for sale to the public, be accompanied by agreements for the benefit of the borrower under the loan that provide that—

(A) the purchaser or any assignee of the loan shall not diminish any substantive or procedural right of the borrower arising under this subchapter;

(B) upon any substantial default of the borrower, but prior to foreclosure, the loan shall be assigned to the Secretary for the purpose of avoiding foreclosure; and

(C) following any assignment under subparagraph (B) and before commencing any action to foreclose or otherwise dispossess the borrower, the Secretary shall afford the borrower all substantive and procedural rights arising under this subchapter, including consideration for interest subsidy, moratorium, reamortization, refinancing, and appeal of any adverse decision to an impartial officer.

(4) From the proceeds of loan sales under paragraph (2), the Secretary shall set aside as a reserve against future losses not less than 5 percent of the outstanding face amount of the loans held by the public at any time.

(e) Rural Housing Insurance Fund; creation; authorization of appropriations; separate operation of guaranteed and insured loan programs; transfer of funds

There is hereby created the Rural Housing Insurance Fund (hereinafter referred to as the "Fund") which shall be used by the Secretary as a revolving fund for carrying out the provisions of this section. There are authorized to be appropriated to the Secretary such sums as may be necessary for the purposes of the Fund. The guaranteed loan program under this subchapter shall be operated separately from the insured loan program operated under this subchapter and no funds designated for one program may be transferred to another program.

(f) Investment of excess Fund moneys

Money in the Fund not needed for current operations shall be invested in direct obligations of the United States or obligations guaranteed by the United States.

(g) Fund assets and liabilities; sale of loans; agreements for servicing and purchasing loans

All funds, claims, notes, mortgages, contracts, and property acquired by the Secretary under this section, and all collections and proceeds therefrom, shall constitute assets of the Fund; and all liabilities and obligations of such assets shall be liabilities and obligations of the Fund. Loans may be held in the Fund and collected in accordance with their terms or may be sold by the Secretary with or without agreements for insurance thereof. The Secretary is authorized to make agreements with respect to servicing loans held or insured by him under this section and purchasing such insured loans on such terms and conditions as he may prescribe.

(h) Issuance of notes; form and denominations; interest rate; purchase by Secretary of the Treasury; debt transactions

The Secretary is authorized to issue notes to the Secretary of the Treasury to obtain funds necessary for discharging obligations under this section and for authorized expenditures out of the Fund, but, except as may be authorized in appropriation Acts, not for the original or any additional capital of the Fund. Such notes shall be in such form and denominations and have such maturities and be subject to such terms and conditions as may be prescribed by the Secretary with the approval of the Secretary of the Treasury. Each note shall bear interest at the average rate, as determined by the Secretary of the Treasury, payable by the Treasury upon its marketable public obligations outstanding at the beginning of the fiscal year in which such note is issued, which are neither due nor callable for redemption for fifteen years from their date of issue. The Secretary of the Treasury is authorized and directed to purchase any notes of the Secretary issued hereunder, and for that purpose the Secretary of the Treasury is authorized to use as a public debt transaction the proceeds from the sale of any securities issued under chapter 31 of title 31, and the purposes for which such securities may be issued under such chapter are extended to include purchases of notes issued by the Secretary. § 1490a. Loans to provide occupant owned, rental, and cooperative housing for low and moderate income, elderly or handicapped persons or families

(a) Interest rates; additional assistance; payments to owners; rent limitations

(1)(A) Notwithstanding the provisions of sections 1472, 1487(a) and 1485 of this title, loans to persons of low or moderate income under section 1472 or 1487(a)(1)¹ of this title, loans under section 1485 of this title to provide rental or cooperative housing and related facilities for persons and families of low or moderate income or elderly or handicapped persons or families and loans under section 1490f of this title to provide condominium housing for persons and families of low or moderate income, shall bear interest at a rate prescribed by the Secretary at not less than a rate determined by the Secretary of the Treasury upon the request of the Secretary taking into consideration the current average market yield on outstanding marketable obligations of the United States with remaining periods to maturity comparable to the average maturities of such loans, adjusted to the nearest one-eighth of 1 per centum. Any loan guaranteed under this subchapter shall bear interest at such rate as may be agreed upon by the borrower and the lender.

(B) From the interest rate so determined, the Secretary may provide the borrower with assistance in the form of credits so as to reduce the effective interest rate to a rate not less than 1 per centum per annum for such periods of time as the Secretary may determine for applicants described in subparagraph (A) if without such assistance such applicants could not afford the dwelling or make payments on the indebtedness of the rental or cooperative housing. In the case of assistance provided under this subparagraph with respect to a loan under section 1472 of this title, the Secretary may not reduce, cancel, or refuse to renew the assistance due to an increase in the adjusted income of the borrower if the reduction, cancellation, or nonrenewal will cause the borrower to be unable to reasonably afford the resulting payments required under the loan.

(C) For persons of low income under section 1472 or 1487(a) of this title who the Secretary determines are unable to afford a dwelling with the assistance provided under subparagraph (B) and when the Secretary determines that assisted rental housing programs (as authorized under this subchapter, the National Housing Act [12 U.S.C. 1701 et seq.], and the United States Housing Act of 1937 [42 U.S.C. 1437 et seq.]) would be unsuitable in the area in which such persons reside, the Secretary may provide additional assistance, pursuant to amounts approved in appropriation Acts and for such periods of time as the Secretary may determine, which may be in an amount not to exceed the difference between (i) the amount determined by the Secretary to be necessary to pay the principal indebtedness, interest, taxes, insurance, utilities, and maintenance, and (ii) 25 per centum of the income of such applicant. The amount of such additional assistance which may be approved in appropriation Acts may not exceed an aggregate amount of \$100,000,000. Such additional assistance may not be so approved with respect to any fiscal year beginning on or after October 1, 1981.

(D)(i) With respect to borrowers under section 1472 or 1487(a) of this title who have received assistance under subparagraph (B) or (C), the Secretary shall provide for the recapture of all or a portion of such assistance rendered upon the disposition or nonoccupancy of the property by the borrower. In providing for such recapture, the Secretary shall make provisions to provide incentives for the borrower to maintain the property in a marketable condition. Notwithstanding any other provision of law, any such assistance whenever rendered shall constitute a debt secured by the security instruments given by the borrower to the Secretary to the extent that the Secretary may provide for recapture of such assistance.

(ii) In determining the amount recaptured under this subparagraph with respect to any loan made pursuant to section 1472(a)(3) of this title for the purchase of a dwelling located on land owned by a community land trust, the Secretary shall determine any appreciation of the dwelling based on any agreement between the borrower and the community land trust that limits the sale price or appreciation of the dwelling.

(E) Except for Federal or State laws relating to taxation, the assistance rendered to any borrower under subparagraphs (B) and (C) shall not be considered to be income or resources for any purpose under any Federal or State laws including, but not limited to, laws relating to welfare and public assistance programs.

(F) Loans subject to the interest rates and assistance provided under this paragraph (1) may be made only when the Secretary determines the needs of the applicant for necessary housing cannot be met with financial assistance from other sources including assistance under the National Housing Act [12 U.S.C. 1701 et seq.] and the United States Housing Act of 1937 [42 U.S.C. 1437 et seq.].

(G) Interest on loans under section 1472 or 1487(a) of this title to victims of a natural disaster shall not exceed the rate which would be applicable to such loans under section 1472 of this title without regard to this section.

¹ See References in Text note below.

(2)(A) The Secretary shall make and insure loans under this section and sections 1484, 1485, and 1487 of this title to provide rental or cooperative housing and related facilities for persons and families of low income in multifamily housing projects, and shall make, and contract to make, assistance payments to the owners of such rental, congregate, or cooperative housing in order to make available to low-income occupants of such housing rentals at rates commensurate to income and not exceeding the highest of (i) 30 per centum of monthly adjusted income, (ii) 10 per centum of monthly income, or (iii) if the person or family is receiving payments for welfare assistance from a public agency, the portion of such payments which is specifically designated by such agency to meet the person's or family's housing costs. Any rent or contribution of any recipient shall not increase as a result of this section or any other provision of Federal law or regulation by more than 10 per centum during any twelve-month period, unless the increase above 10 per centum is attributable to increases in income which are unrelated to this subsection or other law or regulation.

(B) The owner of any project assisted under this paragraph or paragraph (5) shall be required to provide at least annually a budget of operating expenses and record of tenants' income. The budget (and the income, in the case of a project assisted under this paragraph) shall be used to determine the amount of the assistance for each project.

(C) The project owner shall accumulate, safeguard, and periodically pay to the Secretary any rental charges collected in excess of basic rental charges as established by the Secretary in conformity with subparagraph (A). These funds may be credited to the appropriation and used by the Secretary for making such assistance payments through the end of the next fiscal year. Notwithstanding the preceding sentence, excess funds received from tenants in projects financed under section 1485 of this title during a fiscal year shall be available during the next succeeding fiscal year, together with funds provided under subparagraph (D), to the extent approved in appropriations Acts, to make assistance payments to reduce rent overburden on behalf of tenants of any such project whose rents exceed the levels referred to in subparagraph (A). In providing assistance to relieve rent overburden, the Secretary shall provide assistance with respect to very low-income and low-income families to reduce housing rentals to the levels specified in subparagraph (A).

(D) The Secretary, to the extent approved in appropriations Acts, may enter into rental assistance contracts aggregating not more than \$398,000,000 in carrying out subparagraph (A) with respect to the fiscal year ending on September 30, 1982.

(E) In order to assist elderly or handicapped persons or families who elect to live in a shared housing arrangement in which they benefit as a result of sharing the facilities of a dwelling with others in a manner that effectively and efficiently meets their housing needs and thereby reduces their cost of housing, the Secretary shall permit rental assistance to be used by such persons or families if the shared housing ar-

rangement is in a single-family dwelling. For the purpose of this subparagraph, the Secretary shall prescribe minimum habitability standards to assure decent, safe, and sanitary housing for such families while taking into account the special circumstances of shared housing.

(3)(A) In the case of loans under sections 1484 and 1485 of this title approved prior to the effective date of this paragraph with respect to which rental assistance is provided, the rent for tenants receiving such assistance shall not exceed the highest of (i) 30 per centum of monthly adjusted income, (ii) 10 per centum of monthly income, or (iii) if the person or family is receiving payments for welfare assistance from a public agency, the portion of such payments which is specifically designated by such agency to meet the person's or family's housing costs.

(B) In the case of a section 1485 loan approved prior to the effective date of this paragraph with respect to which interest credits are provided, the tenant's rent shall not exceed the highest of (i) 30 per centum of monthly adjusted income, (ii) 10 per centum of monthly income, or (iii) if the person or family is receiving payments for welfare assistance from a public agency, the portion of such payments which is specifically designated by such agency to meet the person's or family's housing costs, or, where no rental assistance authority is available, the rent level established on a basis of a 1 per centum interest rate on debt service.

(C) No rent for a unit financed under section 1484 or 1485 of this title shall be increased as a result of this subsection or other provision of Federal law or Federal regulation by more than 10 per centum in any twelve-month period, unless the increase above 10 per centum is attributable to increases in income which are unrelated to this subsection or other law, or regulation.

(4) In the case of a loan with respect to the purchase of a manufactured home with respect to which rental assistance is provided, the monthly payment for principal and interest on the manufactured home and for lot rental and utilities shall not exceed the highest of (A) 30 per centum of monthly adjusted income, (B) 10 per centum of monthly income, or (C) if the person or family is receiving payments for welfare assistance from a public agency, the portion of such payments which is specifically designated by such agency to meet the person's or family's housing costs.

(5) OPERATING ASSISTANCE FOR MIGRANT FARMWORKER PROJECTS.—

(A) AUTHORITY.—In the case of housing (and related facilities) for migrant farmworkers provided or assisted with a loan under section 1484 of this title or a grant under section 1486 of this title, the Secretary may, at the request of the owner of the project, use amounts provided for rental assistance payments under paragraph (2) to provide assistance for the costs of operating the project. Any tenant or unit assisted under this paragraph may not receive rental assistance under paragraph (2).

(B) AMOUNT.—In any fiscal year, the assistance provided under this paragraph for any project shall not exceed an amount equal to 90 percent of the operating costs for the project

for the year, as determined by the Secretary. The amount of assistance to be provided for a project under this paragraph shall be an amount that makes units in the project available to migrant farmworkers in the area of the project at rates not exceeding 30 percent of the monthly adjusted incomes of such farmworkers, based on the prevailing incomes of such farmworkers in the area.

(C) SUBMISSION OF INFORMATION.—The owner of a project assisted under this paragraph shall be required to provide to the Secretary, at least annually, a budget of operating expenses and estimated rental income, which the Secretary may use to determine the amount of assistance for the project.

(D) DEFINITIONS.—For purposes of this paragraph, the following definitions shall apply:

(i) The term “migrant farmworker” has the same meaning given such term in section 1486(k)(7) of this title.

(ii) The term “operating cost” means expenses incurred in operating a project, including expenses for—

(I) administration, maintenance, repair, and security of the project;

(II) utilities, fuel, furnishings, and equipment for the project; and

(III) maintaining adequate reserve funds for the project.

(b) Location in rural areas; inclusion of qualified nonrural residents who will become rural residents

Housing and related facilities provided with loans described in subsection (a) of this section shall be located in rural areas; and applicants eligible for such loans under section 1472, 1487(a)(1),² or 1490f(a) of this title, or for occupancy of housing provided with such loans under section 1485 or 1490f(c) of this title, shall include otherwise qualified nonrural residents who will become rural residents.

(c) Reimbursement of Rural Housing Insurance Fund

There shall be reimbursed to the Rural Housing Insurance Fund by annual appropriations (1) the amounts by which nonprincipal payments made from the fund during each fiscal year to the holders of insured loans described in subsection (a)(1) of this section exceed interest due from the borrowers during each year, and (2) the amount of assistance payments described in subsections (a)(2) and (a)(5) of this section. There are authorized to be appropriated to the Rural Housing Insurance Fund such sums as may be necessary to reimburse such fund for the amount of assistance payments described in subsection (a)(1)(C) of this section. The Secretary may from time to time issue notes to the Secretary of the Treasury under section 1487(h) and of this title and section 1490f of this title to obtain amounts equal to such unreimbursed payments, pending the annual reimbursement by appropriation.

(d) Rental assistance contract authority; preconditions, limitations, etc.

(1) In utilizing the rental assistance payments authority pursuant to subsection (a)(2) of this section—

(A) the Secretary shall make such assistance available in existing projects for units occupied by low income families or persons to extend expiring contracts or to provide additional assistance when necessary to provide the full amount authorized pursuant to existing contracts;

(B) any such authority remaining after carrying out subparagraph (A) shall be used in projects receiving commitments under section 1484, 1485, or 1486 of this title after fiscal year 1983 for contracts to assist very low-income families or persons to occupy the units in such projects, except that not more than 5 percent of the units assisted may be occupied by low income families or persons who are not very low-income families or persons; and

(C) any such authority remaining after carrying out subparagraphs (A) and (B) may be used to provide further assistance to existing projects under section 1484, 1485, or 1486 of this title.

(2) The Secretary shall transfer rental assistance contract authority under this section from projects where such authority is unused after initial rentup and not needed because of a lack of eligible tenants in the area to projects where such authority is needed.

(e) Increases in rent or contribution of any recipient

Any rent or contribution of any recipient or any tenant in a project assisted under subsection (a)(5) of this section shall not increase as a result of this section, any amendment thereto, or any other provision of Federal law or regulation by more than 10 per centum during any twelve-month period, unless the increase above 10 per centum is attributable to increases in income which are unrelated to this subsection or other law or regulation.

§ 1490b. Housing for rural trainees

(a) Authorization; financial and technical assistance; selection of training sites and location of housing

Upon the application of any State or political subdivision thereof, or any public or private nonprofit organization, the Secretary is authorized, after consultation with the Secretary of Labor, the Secretary of Health and Human Services, the Secretary of Housing and Urban Development, and the Director of the Office of Economic Opportunity, and after the Secretary determines that the housing and related facilities cannot reasonably be provided in any other way, to provide financial and technical assistance for the establishment, in rural areas, of housing and related facilities for trainees and their families who are residents of a rural area and have a rural background, while such trainees are enrolled and participating in training courses designed to improve their employment capability. The selection of training sites and location of housing shall be made with due regard to the economic viability of the area, and only after consideration of a labor area survey and full coordination among all Government agencies having primary responsibility for administering related programs.

(b) Quality of housing and related facilities; design and location

Housing and related facilities assisted under this section shall be safe and sanitary, constructed in the most economical manner, and of modest design, giving due consideration to the purposes to be served and the needs of the occupants, and may, in the discretion of the Secretary, include mobile family quarters. Design and location shall be such as to facilitate, as feasible, the use of such housing and related facilities for other purposes when no longer needed for the primary purpose.

(c) Contribution of land by applicant

The applicant shall contribute the necessary land, or funds to acquire such land, from its own resources, including land acquired by donation or from funds repayable under subsection (e) of this section or borrowed from other sources.

(d) Conditions precedent to grant of financial assistance

No financial assistance shall be made available under this section unless, to the extent and for the periods required by the Secretary, the applicant agrees that—

(1) such housing will be maintained at all times in a safe and sanitary condition in accordance with standards prescribed by State or local law, or, in the absence of such standards, with requirements prescribed by the Secretary;

(2) priority shall be given at all times, in granting occupancy of such housing and facilities, to the trainees and their families described in subsection (a) of this section; and

(3) rentals charged them shall not exceed amounts approved by the Secretary after considering the portion of the actual total family income which the family can afford to pay for rent while meeting its other immediate needs during occupancy.

(e) Advances; repayment; limitation on amount

The Secretary may make advances pursuant to any contract for financial assistance under this section at such times and in such manner as may be specified in the contract. Such advances for the purchase of land shall be repayable with interest and within a period not to exceed thirty-three years and may be made upon such security, if any, as the Secretary requires. Advances for other purposes may be made repayable with or without interest or nonrepayable, as determined by the Secretary on the basis of the anticipated income, and cost of operation of the housing and related facilities and the ability of each applicant to finance such facilities. Any advances shall be limited to cover the capital costs of constructing such facilities, plus interest on borrowings to cover such costs.

(f) Sale of housing and related facilities to ineligible transferee or diversion to use other than primary purpose; repayment of advances; return of property to original condition

Should housing and related facilities assisted pursuant to a contract under this section be sold to an ineligible transferee or diverted to a use other than its primary purpose within a period specified in the contract, all advances made under such contract shall be repaid to the Secretary, up to the amount of the sales price or the fair value of the property as determined by the Secretary, whichever is higher, with interest from the date of the sale or diversion. If no suitable alternate use of the property is available, as determined by the Secretary, after the purpose of this section can no longer be served, the property shall be returned to its original condition by the recipient of the assistance.

(g) Interest on advances

Interest charged on advances made under this section shall be at a rate, prescribed by the Secretary, which shall be not less than a rate determined by the Secretary of the Treasury taking into consideration the current average market yield on outstanding marketable obligations of the United States with remaining periods to maturity comparable to the average maturities of such loans, adjusted to the nearest one-eighth of 1 per centum, less not to exceed the difference between the adjusted rate determined by the Secretary of the Treasury and 1 per centum per annum, as determined by the Secretary.

(h) Regulations

The Secretary shall prescribe regulations to insure that Federal funds expended under this section are not wasted or dissipated.

(i) "Related facilities" and "trainee" defined

As used in this section (1) the term "related facilities" shall include any necessary community rooms or buildings, infirmaries, utilities, access roads, water and sewer services, and the minimum fixed or movable equipment determined by the Secretary to be necessary to make the housing reasonably habitable by trainees and their families; and (2) the term "trainee" means any person receiving training under any federally assisted training program.

(j) Authorization of appropriations

There are authorized to be appropriated such sums as may be necessary to carry out this section.

The purposes of this section are (1) to make financial assistance available on reasonable terms and conditions in rural areas and small towns to needy low-income individuals and their families who, with the benefit of technical assistance and overall guidance and supervision, participate in approved programs of mutual or self-help housing by acquiring and developing necessary land, acquiring building materials, providing their own labor, and working cooperatively with others for the provision of decent, safe, and sanitary dwellings for themselves, their families, and others in the area or town involved, and (2) to facilitate the efforts of both public and private nonprofit organizations providing assistance to such individuals to contribute their technical and supervisory skills toward more effective and comprehensive programs of mutual or self-help housing in rural areas and small towns wherever necessary.

(b) Contract authority; establishment of Self-Help Housing Land Development Fund; authorization to make loans; conditions of loan

In order to carry out the purposes of this section, the Secretary of Agriculture (in this section referred to as the "Secretary") is authorized—

(d) "Construction" defined

As used in this section, the term "construction" includes the erection of new dwellings, and the rehabilitation, alteration, conversion, or improvement of existing structures.

Instruments and property acquired by the Secretary in or as a result of making such loans shall be assets of the Self-Help Housing Land Development Fund.

The purpose of this section is to authorize the Secretary to make grants to eligible grantees including private nonprofit organizations, Indian tribes, general units of local government,

counties, States, and consortia of other eligible grantees, in order to—

- (1) rehabilitate or replace single family housing in rural areas which is owned by low- and very low-income persons and families, and
- (2) rehabilitate or replace rental properties or cooperative housing which has a membership resale structure that enables the cooperative to maintain affordability for persons of low income in rural areas serving low- and very low-income occupants.

The Secretary may also provide tenant-based assistance as provided under section 1437f of this title or section 1490r of this title upon the request of grantees in order to minimize the displacement of very low-income tenants residing in units rehabilitated or replaced with assistance under this section.

(b) Mandatory program requirements

Preservation programs assisted under this section shall—

- (1) be used to provide loans or grants to owners of single family housing in order to cover the cost of repairs and improvements;
- (2) be used to provide loans or grants, not to exceed \$15,000 per unit, to owners of single family housing to replace existing housing if repair or rehabilitation of the housing is determined by the Secretary not to be practicable and the owner of the housing is unable to afford a loan under section 1472 of this title for replacement housing;
- (3) be used to provide interest reduction payment;
- (4) be used to provide loans or grants to owners of rental housing, except that rental rehabilitation or replacement assistance provided under this subsection for any structure shall not exceed 75 per centum of the total costs associated with the rehabilitation or replacement of that structure;

- (6) benefit low- and very low-income persons and families in rural areas, without causing the displacement of current residents; and
- (7) raise health and safety conditions to meet those specified in section 1479(a) of this title.

(c) Allocation formula; transfer of funds; maximum amounts

(1) The Secretary shall allocate grant funds under this section for use in each State on the basis of a formula contained in a regulation prescribed by the Secretary using the average of the ratios between—

- (A) the population of the rural areas in that State and the population of the rural areas of all States;
- (B) the extent of poverty in the rural areas in that State and the extent of poverty in the rural areas of all States; and

(C) the extent of substandard housing in the rural areas of that State and the extent of substandard housing in the rural areas of all States.

Any funds which are allocated to a State but uncommitted to grantees will be transferred to the State office of the Farmers Home Administration in a timely manner and be used for authorized rehabilitation activities under section 1474 of this title. Funds obligated, but subsequently unspent and deobligated, may remain available, to the extent provided in appropriations Acts, for use as housing preservation grants in ensuing fiscal years.

(2) Unless there is only one eligible grantee in a State, a single grantee may not receive more than 50 per centum of a State's allocation.

(d) Statement of activity by grantee; submission; contents; availability; consultations; evaluation by Secretary; criteria applicable; maximum amounts

(1) Eligible grantees may submit a statement of activity to the Secretary at the time specified by the program administrator, containing a description of its proposed preservation program. The statement shall consist of the activities each entity proposes to undertake for the fiscal year, and the projected progress in carrying out those activities. The statement of activities shall be made available to the public for comment.

(2) In preparing such statement, the grantee shall consult with and consider the views of appropriate local officials.

(3) The Secretary shall evaluate the merits of each statement on the basis of such criteria as the Secretary shall prescribe, including the extent—

(A) to which the repair, rehabilitation, and replacement activities will assist persons of low income who lack adequate shelter, with priority given to applications assisting the maximum number of persons and families whose incomes do not exceed 50 per centum of the area median income;

(B) to which the repair, rehabilitation, and replacement activities include the participation of other public or private organizations in providing assistance, in addition to the assistance provided under this section, in order to lower the costs of such activities or provide for the leveraging of available funds to supplement the rural housing preservation grant program;

(C) to which such activities will be undertaken in rural areas having populations below 10,000 or in remote parts of other rural areas;

(D) to which the repair, rehabilitation, and replacement activities may be expected to result in achieving the greatest degree of repair or improvement for the least cost per unit or dwelling;

during the 5-year period beginning on the date on which the units in the housing are available for occupancy;

The Secretary may adjust, reduce, or withdraw resources made available to grantees receiving assistance under this section, or take other action as appropriate in accordance with the findings of these reviews and audits. Any amounts which become available as a result of actions under this subsection shall be reallocated as housing preservation grants to such grantee or grantees as the Secretary may determine.

§ 1490p-2. Loan guarantees for multifamily rental housing in rural areas

(a) Authority

The Secretary may make commitments to guarantee eligible loans for the development costs of eligible housing and related facilities, and may guarantee such eligible loans, in accordance with this section.

(b) Extent of guarantee

A guarantee made under this section shall guarantee repayment of an amount not exceeding the total of the amount of the unpaid principal and interest of the loan for which the guarantee is made. The liability of the United States under any guarantee under this section shall decrease or increase pro rata with any decrease or increase of the amount of the unpaid portion of the obligation.

(c) Eligible borrowers

A loan guaranteed under this section may be made to a nonprofit organization, an agency or body of any State government or political subdivision thereof, an Indian tribe, or a private entity.

(d) Eligible housing

A loan may be guaranteed under this section only if the loan is used for the development costs of housing and related facilities (as such terms are defined in section 1485(e) of this title) that—

- (1) consists of 5 or more adequate dwellings;
- (2) is available for occupancy only by low or moderate income¹ families or persons, whose incomes at the time of initial occupancy do not exceed 115 percent of the median income of the area, as determined by the Secretary;
- (3) will remain available as provided in paragraph (2), according to such binding commitments as the Secretary may require, for the period of the original term of the loan guaranteed, unless the housing is acquired by foreclosure (or instrument in lieu of foreclosure) or the Secretary waives the applicability of such requirement for the loan only after determining, based on objective information, that—
 - (A) there is no longer a need for low- and moderate-income housing in the market area in which the housing is located;
 - (B) housing opportunities for low-income households and minorities will not be reduced as a result of the waiver; and
 - (C) additional Federal assistance will not be necessary as a result of the waiver; and
- (4) is located in a rural area.

¹So in original. Probably should be “low- or moderate-income”.

(e) Eligible lenders

(1) Requirement

A loan may be guaranteed under this section only if the loan is made by a lender that the Secretary determines—

(A) meets the qualifications, and has been approved by the Secretary of Housing and Urban Development, to make loans for multifamily housing that are to be insured under the National Housing Act [12 U.S.C. 1701 et seq.];

(B) meets the qualifications, and has been approved by the Federal National Mortgage Association and the Federal Home Loan Mortgage Corporation, to make loans for multifamily housing that are to be sold to such corporations; or

(C) meets any qualifications that the Secretary may, by regulation, establish for participation of lenders in the loan guarantee program under this section.

(2) Eligibility list and annual audit

The Secretary shall establish a list of eligible lenders and shall annually conduct an audit of each lender included in the list for purposes of determining whether such lender continues to be an eligible lender.

(f) Loan terms

Each loan guaranteed pursuant to this section shall—

(1) be made for a period of not less than 25 nor greater than 40 years from the date the loan was made and may provide for amortization of the loan over a period of not to exceed 40 years with a final payment of the balance due at the end of the loan term;

(2) involve a rate of interest agreed upon by the borrower and the lender that does not exceed the maximum allowable rate established by the Secretary for purposes of this section and is fixed over the term of the loan;

(3) involve a principal obligation (including initial service charges, appraisal, inspection, and other fees as the Secretary may approve) not to exceed—

(A) in the case of a borrower that is a nonprofit organization or an agency or body of any State or local government, 97 percent of the development costs of the housing and related facilities or the value of the housing and facilities, whichever is less;

(B) in the case of a borrower that is a for-profit entity not referred to in subparagraph (A), 90 percent of the development costs of the housing and related facilities or the value of the housing and facilities, whichever is less; and

(C) in the case of any borrower, for such part of the property as may be attributable to dwelling use, the applicable maximum per unit dollar amount limitations under section 207(c) of the National Housing Act [12 U.S.C. 1713(c)];

(4) be secured by a first mortgage on the housing and related facilities for which the loan is made, or otherwise, as the Secretary may determine necessary to ensure repayment of the obligation; and

(5) for at least 20 percent of the loans made under this section, the Secretary shall provide

the borrower with assistance in the form of credits pursuant to section 1490a(a)(1)(B) of this title to the extent necessary to reduce the rate of interest under paragraph (2) to the applicable Federal rate, as such term is used in section 42(i)(2)(D)² of title 26.

(g) Guarantee fee

At the time of issuance of a loan guaranteed under this section, the Secretary may collect from the lender a fee equal to not more than 1 percent of the principal obligation of the loan.

(h) Authority for lenders to issue certificates of guarantee

The Secretary may authorize certain eligible lenders to determine whether a loan meets the requirements for guarantee under this section and, subject to the availability of authority to enter into guarantees under this section, execute a firm commitment for a guarantee binding upon the Secretary and issue a certificate of guarantee evidencing a guarantee, without review and approval by the Secretary of the specific loan. The Secretary may establish standards for approving eligible lenders for a delegation of authority under this subsection.

(i) Payment under guarantee

(1) Notice of default

In the event of default by the borrower on a loan guaranteed under this section, the holder of the guarantee certificate for the loan shall provide written notice of the default to the Secretary.

(2) Foreclosure

After receiving notice under paragraph (1) and providing written notice of action under this paragraph to the Secretary, the holder of the guarantee certificate for the loan may initiate foreclosure proceedings for the loan in a court of competent jurisdiction, in accordance with regulations issued by the Secretary, to obtain possession of the security property. After the court issues a final order authorizing foreclosure on the property, the holder of the certificate shall be entitled to payment by the Secretary under the guarantee (in the amount provided under subsection (b) of this section) upon (A) submission to the Secretary of a claim for payment under the guarantee, and (B) assignment to the Secretary of all the claims of the holder of the guarantee against the borrower or others arising out of the loan transaction or foreclosure proceedings, except claims released with the consent of the Secretary.

(3) Assignment by Secretary

After receiving notice under paragraph (1), the Secretary may accept assignment of the loan if the Secretary determines that the assignment is in the best interests of the United States. Assignment of a loan under this paragraph shall include conveyance to the Secretary of title to the security property, assignment to the Secretary of all rights and interests arising under the loan, and assignment to the Secretary of all claims against the bor-

rower or others arising out of the loan transaction. Upon assignment of a loan under this paragraph, the holder of a guarantee certificate for the loan shall be entitled to payment by the Secretary under the guarantee (in the amount provided under subsection (b) of this section).

(4) Requirements

Before any payment under a guarantee is made under paragraph (2) or (3), the holder of the guarantee certificate shall exhaust all reasonable possibilities of collection on the loan guaranteed. Upon payment, in whole or in part, to the holder, the note or judgment evidencing the debt shall be assigned to the United States and the holder shall have no further claim against the borrower or the United States. The Secretary shall then take such action to collect as the Secretary determines appropriate.

(j) Violation of guarantee requirements by lenders issuing guarantees

(1) Indemnification

If the Secretary determines that a loan guaranteed by an eligible lender pursuant to delegation of authority under subsection (h) of this section was not originated in accordance with the requirements under this section and the Secretary pays a claim under the guarantee for the loan, the Secretary may require the eligible lender authorized under subsection (h) of this section to issue the guarantee certificate for the loan—

(A) to indemnify the Secretary for the loss, if the payment under the guarantee was made within a reasonable period specified by the Secretary; or

(B) to indemnify the Secretary for the loss regardless of when payment under the guarantee was made, if the Secretary determines that fraud or misrepresentation was involved in connection with the origination of the loan.

(2) Termination of authority to issue guarantees

The Secretary may cancel a delegation of authority under subsection (h) of this section to an eligible lender if the Secretary determines that the lender has violated the requirements and procedures for guaranteed loans under this section or for other good cause. Any such cancellation shall be made by giving notice to the eligible lender and shall take effect upon receipt of the notice by the mortgagee or at a later date, as the Secretary may provide. A decision by the Secretary to cancel a delegation shall be final and conclusive and shall not be subject to judicial review.

(k) Refinancing

Any loan guaranteed under this section may be refinanced and extended in accordance with terms and conditions that the Secretary shall prescribe, but in no event for an additional amount or term that exceeds the limitations under subsection (f) of this section.

(l) Geographical targeting

(1) Study

The Secretary shall provide for an independent entity to conduct a study to determine the

The Secretary shall require the independent entity conducting the study to submit a report to the Secretary and to the Congress describing the results of the study not later than the expiration of the 90-day period beginning on March 28, 1996.

(2) Targeting

In providing loan guarantees under this section, the Secretary shall establish standards to target and give priority to rural areas in which borrowers can best utilize and most need loans guaranteed under this section, as determined by the Secretary based on the results of the study under paragraph (1) and any other information the Secretary considers appropriate.

(m) Inapplicability of credit-elsewhere test

Section 1471(c) of this title shall not apply to guarantees, or loans guaranteed, under this section.

(n) Tenant protections

The Secretary shall establish standards for the treatment of tenants of housing developed using amounts from a loan guaranteed under this section, which shall incorporate, to the extent applicable, existing standards applicable to tenants of housing developed with loans made under section 1485 of this title. Such standards shall include standards for fair housing and equal opportunity, lease and grievance procedures, and tenant appeals of adverse actions.

(o) Housing standards

The standards established under section 1485(m) of this title for housing and related facilities assisted under section 1485 of this title shall apply to housing and related facilities the development costs of which are financed in whole or in part with a loan guaranteed under this section.

(p) Limitation on commitments to guarantee loans

(1) Requirement of appropriations for cost subsidy

The authority of the Secretary to enter into commitments to guarantee loans under this section, and to guarantee loans, shall be effective for each fiscal year only to the extent that appropriations of budget authority to cover the costs (as such term is defined in section 661a of title 2) of the guarantees are made in advance for such fiscal year.

(2) Annual limitation on amount of loan guarantee

In each fiscal year, the Secretary may enter into commitments to guarantee loans under this section only to the extent that the costs of the guarantees entered into in such fiscal year do not exceed such amount as may be

provided in appropriation Acts for such fiscal year.

(q) Report

(1) In general

The Secretary shall submit a report to the Congress, not later than the expiration of the 2-year period beginning on March 28, 1996, describing the program under this section for guaranteeing loans.

(2) Contents

The report shall—

(A) describe the types of borrowers providing housing with loans guaranteed under this section, the areas served by the housing provided and the geographical distribution of the housing, the levels of income of the residents of the housing, the number of dwelling units provided, the extent to which borrowers under such loans have obtained other financial assistance for development costs of housing provided with the loans, and the extent to which borrowers under such loans have used low-income housing tax credits provided under section 42 of title 26 in connection with the housing provided with the loans;

(B) analyze the financial viability of the housing provided with loans guaranteed under this section and the need for project-based rental assistance for such housing;

(C) include any recommendations of the Secretary for expanding or improving the program under this section for guaranteeing loans; and

(D) include any other information regarding the program for guaranteeing loans under this section that the Secretary considers appropriate.
